Lola Mae Performing Arts is ran and directed by Camryn Zelinger, who is a graduate of the American Musical and Dramatic Academy. She spent five years in NYC performing and studying her craft including performing on tour in the east coast as well as performing Off-Broadway. Currently, she is a Drama Teacher at OCSA, actress in regional theatre here in Orange County and acting coach for students. For the last 5 summers, she has offered the Lola Mae summer workshop program with much success. Lola Mae students have the opportunity to hone in on their skills whether it be acting and characterization work, musical theatre/hip hop choreography or vocal instruction by some of Orange County's renowned artists.
